

PETAL SIGNATURE COTTON

Machine wash warm or cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the reverse side of the fabric. *

BELGIAN LINEN

Machine wash warm or cool on a gentle/delicate setting. Machine dry on a low temperature setting. Max temperature for both wash and dry is 100°F (38°C). To prevent wrinkling it is suggested to not fully dry the linen during laundering. Iron on the reverse side of the fabric with steam to help soften. Do not bleach.

CELOSIA VELVET

Machine wash separately in cool water using a gentle cycle. Machine dry on a low temperature or permanent press setting and remove promptly to avoid wrinkles. Dry clean if preferred.

CHIFFON

Machine wash cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the reverse side of the fabric. Dry clean if preferred. *

COTTON LAWN

Machine wash cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the reverse side of the fabric. Dry clean if preferred. *

COTTON POPLIN

Machine wash cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the unprinted side of the fabric. *

COTTON SPANDEX JERSEY

Machine wash cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the reverse side of the fabric.

CYPRESS COTTON CANVAS

Machine wash cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the reverse side of the fabric. Dry clean if preferred. *

DOGWOOD DENIM

Machine wash cool on a gentle/delicate setting, using phosphate-free detergent. Machine dry on a low temperature setting. Iron on the reverse side of the fabric. Dry clean if preferred. *

FLEECE, POLARTEC

Wash separately in cool water using a gentle machine cycle. Machine dry using a low temperature setting and remove promptly to avoid wrinkles.

* Woven fabrics may experience fraying when washed. We recommend serging or stay-stitching 1/4"-1/2" from the cut edge or using a delicates bag when pre-washing.
